

# GBCT TRAINING & EVENTS

## LONDON      TUESDAY 10 to FRIDAY 13 MAY 2022

### FILM LOADING WORKSHOP

This 4-day course is available to all those interested in the film techniques necessary to safely manage film loading, handling, stock control, paperwork and note taking to create negative report sheets that must be sent with the exposed film to be delivered to the film laboratory for development. The course consists of film theory and a great many practical exercises when loading 16mm and 35mm most commonly used film cameras.

#### **The next step:**

Interested? If so, complete the training course application form (attached or download from [www.gbct.org](http://www.gbct.org)) and send this together with your CV by post (address below) or email to: [admin@gbct.org](mailto:admin@gbct.org)

#### **Course Pre-requisites:**

There is likely to be different levels of professional experience of those wanting to attend this course. We will therefore be selecting candidates and then balancing and adjusting the course timetable to reflect this.

**Number of places per course:** 6 per tutor

**Cost:** £400 + VAT (Guild Members)

**Cost:** £500 + VAT (Non-Members)
